

Valcambi at the UNDP ASM18 conference in Zambia

Valcambi participated in the United Nations Development Programme ASM18 conference that took place from 12 to 14 September in Zambia.

Opened by the president of Zambia and attended by 450 representatives from more than 50 countries worldwide, the event focused on the Artisanal and Small-Scale Mining sector (ASM) and looked at finding solutions to the various issues the industry faces. In a panel discussion focused on 'Linking ASM and the Downstream Private Sector', Valcambi's Head of Corporate Affairs shared the company's commitment to ASM and approach to getting more downstream actors to join forces in moving the ASM agenda forward.
