

Statement

With reference to the article published under the title "Svizzera, il caveau che custodisce i segreti dell'oro da tutto il mondo", featured on the online and print editions of the daily business newspaper "Il Sole 24 Ore" on 5 July 2017 and concerning the smuggling of gold from Italy to Switzerland, we consider it necessary to point out that Valcambi sa is neither involved in any investigation by Guardia di Finanza nor by any Italian Prosecutor Office, as mistakenly implied by the article.
